Saturday 21st March 2020 – First Race 1.30 pm

The VWH Races committee appeal to you for your kind and generous support of the Point to Point to be held at Siddington, near Cirencester, GL7 6HR (nearest postcode).

We have two reserved numbered car parks which have a view of the course and are conveniently close to the stands and paddock.

The atmosphere and view of the course make these spaces ideal for picnics, with easy access to the paddock and stands.

The £80 car park is limited to 50 cars in two rows and is situated closest to the paddock.

The £50 car park has three long rows with good views of the course and the finishing line at one end.

The public car park is behind with tickets priced at £12 per person and children under 16 go free.

Please notify us here if you have a Disability Badge and need a suitable space.
